

# OCTOBER NEWS

## Infant Room

Fall has flourished, and so have our littlest learners. An outing to the pumpkin patch allowed them to explore the world around them! They have worn their wackiest, spookiest, and even their pjs to school!

# Toddlers

Our toddlers have had a monster of an October. They have explored with all their senses, even going as far as creating their own food. We have enjoyed seeing them learn new smells, and sensations.

# Preschool

Preschoolers have enjoyed exploring their creative arts, and even every one of their 5 senses. From making their own granola bars to tasting lemons they have enjoyed every minute of this month.

# School Age

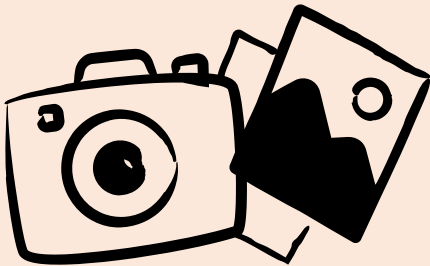

As the school year continues on we are excited to spend some time with them on days the schools are closed. We have them exploring new ways to communicate with each other, and express themselves!

HAPPY

BIRTHDAY

This month we celebrate Odin, xton, Braddox, Zaria, Cataleya, Ava, Sydney, and Leanni, who will all celebrate birthdays!

Christmas Photos will be done December 1st. Keep an eye out for the sign up sheet!

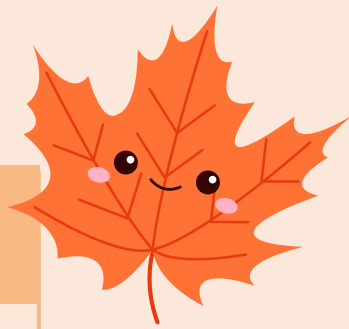

November

This month is all about giving thanks! We are so thankful to watch our little ones grow and learn. This month we will of course be talking about the upcoming holidays, as well as exploring our STREAMin3 curriculum. Students will get to start exploring the cold, how the weather can change things, and how winter impacts us!

## Heads Up:

A heads up we will be CLOSING EARLY December 8th at 5:00PM for a staff Christmas party!

A reminder that we will be CLOSED December 23rd-January 1st!

we're  
**CLOSED**
