

Community Resources

211 is a resource that can be used by anyone in need of assistance. They are available via phone or online, and can help with income assistance, educational assistance, and even resources like food and diapers.

Call 211 or 800-230-6977

The Big Free Bookstore, REACH, is a free program for all. It is located in Military Circle Mall, and offers books for all ages. Two books per household (not all members of the household need to be present), and you can visit two times per week. They are open during the week, and are a fantastic resource to get books into your hands!
